In what seems a natural extension of Hills' uncluttered composition style and simple, toylike characters, the artist expands his Duck & Goose series of picture books with a board book. Helped by a new character, a bluebird, the three familiar feathered friends (Duck, Goose, and Thistle) demonstrate each of nine pairs of opposite words: front, back; near, far; high, low; and so forth.

What's Up Duck? is a book all about opposites. There is one word per page for example, clean and then the next page says dirty. It is a great book to teach students what opposite means and showing examples of that. This book would be really beneficial for younger students when they are learning about opposites or just learning how to read.
